Adelante Spanish Immersion School

Adelante Spanish Immersion School brings together Spanish- and English-speaking students and families for the opportunity of a promising future of being bilingual, biliterate, and academically enriched.

Meet Adelante Spanish Immersion School

Grades: K-5

In an ever-expanding global economy, our nation will need its future leaders to be both biliterate *and* have an understanding of multiple cultures. What if your child could learn how to build relationships across cultures as they speak, listen to others in their native language, and learn better verbal and non-verbal cues while increasing their cognitive abilities? Adelante Spanish Immersion School not only provides a rigorous and innovative educational curriculum, but we also prepare our students to be future 21st century leaders through our Spanish Immersion Program.

In addition to the enrichment of learning in two languages, Adelante offers an array of activities for students. During the school year, students participate in dance class, our garden program, the Art in Action program and weekly music instruction. After school opportunities include ballet folklórico, hip-hop, garden, coding club, math club, and theater.

Adelante Spanish Immersion School flourishes due to its warm, nurturing, and family-centered culture. We encourage you to visit us and marvel at the capacities of our students to read, write, explain, analyze, and problem solve in two languages!

For these reasons and more, we invite you to **meet, choose and love Adelante Spanish Immersion School.**

Programmatic Focus: Spanish Language Immersion

Adelante Spanish Immersion School is a two-way Spanish Immersion School of Choice. Our student population is composed of 50% Spanish-speaking students and 50% English-speaking students. We have high expectations for our students. We expect them to show high levels of proficiency in two languages by the time they exit our school. We have observed what research supports – participation in our immersion program has made the students confident, respectful and academically engaged!

"I love my school because the teachers are very inspiring."

Faith Soltero, 5th grader at Adelante Spanish Immersion School

Adelante School is a part of the
