# Henry Ford School

Henry Ford School is a neighborhood school that provides customized instruction in a safe and nurturing learning environment for all students.

# Meet Henry Ford School

Grades: K-5

On any given day, Henry Ford School students are moving and exercising their bodies in physical education classes, learning ethics and kindness in our character education program, developing their artistic and creative skills in Art in Action and our music programs, and diving into new ideas and exciting stories through our well-stocked library or with Chrome books and iPads. In addition to art, chess and sports after school, we have the REACH program from Redwood City Parks and Recreation that offers students after school enrichment. Our school community thrives and families connect at our annual Fall Fiesta, Field Day and our fabulous end of the year Pasta Dinner. For these reasons and more, we invite you to **meet, choose and love Henry Ford School.**

Our commitment is to address and fulfill the needs of each of our students by providing the academic, social, and emotional supports that are essential to the development of a child's potential. Together—through home, school and the community—we support our students to successfully meet today's challenges and to prepare for tomorrow.

## Programmatic Focus:

Individualized Instruction for Every Student's Success

Our teachers are well trained and experienced in differentiating instruction so that all students have the knowledge and skills to reach their potential. Differentiated instruction involves providing different students with individual avenues to learning (often in the same classroom) for acquiring content; processing, constructing, or making sense of ideas; so that all students can learn effectively and be successful, regardless of their differences.

***"What's special about my school is that we have nice kids here, the teachers are nice and the principal is awesome!"***
